

GeneDx to Present at the 43rd Annual J.P. Morgan Healthcare Conference

December 16, 2024

STAMFORD, Conn.--(BUSINESS WIRE)--Dec. 16, 2024-- GeneDx (Nasdaq: WGS), a leader in delivering improved health outcomes through genomic insights, today announced that company management will participate in the 43rd Annual J.P. Morgan Healthcare Conference from January 12-16 in San Francisco, CA. Management will participate in a presentation on Wednesday, January 15, 2025, at 4:30 p.m. PT.

Live and archived webcasts will be available on the "Events" section of the GeneDx investor relations website at ir.genedx.com/news-events/events.

About GeneDx

At GeneDx (Nasdaq: WGS), we believe that everyone deserves personalized, targeted medical care—and that it all begins with a genetic diagnosis. Fueled by one of the world's largest rare disease data sets, our industry-leading exome and genome tests translate complex genomic data into clinical answers that unlock personalized health plans, accelerate drug discovery, and improve health system efficiencies.
